

Shelloch Wind Farm Proposal Feedback Form

Thank you for taking the time to view our consultation materials for the proposed Shelloch Wind Farm. We would encourage you to provide your feedback on the proposals by completing this short questionnaire. You can complete this electronically on our project webpage (www.force9energy.com/projects/current/shelloch) or return it to us by email or post using the contact details at the end of the form.

- 1. Recent lockdown procedures have resulted in less pollution and cleaner air. Do you agree that the post-lockdown recovery should focus on building a greener and cleaner economy for Scotland?**

☐ Yes

☐ No

☐ Don't know

- 2. On a scale of 1-5 how concerned are you about the potential effects of climate change, 1 being unconcerned and 5 being very concerned? (circle your answer)**

1

2

3

4

5

- 3. Do you consider that Onshore Wind should play an important role in addressing the Climate Emergencies which were declared by the Scottish Government and the Stirling Council in 2019?**

☐ Yes

☐ No

☐ Don't know

- 4. A Community Benefit Fund (as referenced on Exhibition Board 5) will be created to help fund projects in the local community. Do you support the creation of this fund?**

☐ Yes

☐ No

☐ Don't know

If Yes, what would you like to see the fund used for?

- 5. Force 9 Energy's project partner, EDF Renewables, is also committed to providing an opportunity for local community groups to collectively have up to 10% Community Ownership in the Shelloch Wind Farm through a Profit Sharing Agreement. If your local group falls within the "Community of interest" (as referenced on Exhibition Board 6) Would you like to receive further information on the Community Investment Opportunity?**

☐ Yes

☐ No

Your capital is at risk if you invest. Investments are not covered by the Financial Services Compensation Scheme. For a full risk warning, please contact Steven Park and a representative from EDF Renewable Community Investment Ltd will contact you. EDF Renewables is a trading name of EDF Renewables Community Investment Limited which is an appointed representative of Resolution Compliance Limited which is authorised and regulated by the Financial Conduct Authority (FRN:574048)

6. A previous application for the site was approved for seven turbines, but our proposals will reduce this to five more productive turbines which will generate significantly more renewable energy than the prior consented application. Do you support this reduction?

☐ Yes ☐ No ☐ Undecided

7. Based upon what you have learned today, please tick the box (es) below that reflect your views on the Shelloch Wind Farm proposals:

Firstly, please tick the box(es) below that best reflect what you consider to be the **positives** associated with the development:

- | | |
|--|--|
| <input type="checkbox"/> Clean Energy for future generations | <input type="checkbox"/> Locally produced Energy |
| <input type="checkbox"/> Helping address the Climate Emergency | <input type="checkbox"/> Support Scottish Government's Energy Strategy Targets |
| <input type="checkbox"/> Potential Community Benefits | <input type="checkbox"/> Opportunity for local Community Groups to Invest |

Secondly, please tick the box(es) below that best reflect **any concerns** you have regarding the proposal:

- | | |
|--|--|
| <input type="checkbox"/> Impact on Tourism | <input type="checkbox"/> Impact on Local Roads |
| <input type="checkbox"/> Access Tracks | <input type="checkbox"/> Impact on Wildlife |
| <input type="checkbox"/> Noise | <input type="checkbox"/> Visual Impact |

8. Do you have any other comments that you wish to raise in connection with question 7 or anything else concerning the Shelloch proposals?

Please note that any comments made to Force 9 Energy are not representations to the planning authority. Once Force 9 Energy and their project partner, EDF Renewables, submits a planning application, there will be an opportunity to make such representations on that application to the planning authority.
